The Process

1. First meeting – 2+ hour meeting
 - a. We discuss the basics to decide if this is the correct package for you. If it is, the contract is signed.
 - b. We got through a comprehensive list of “yes” and “no” regarding what you want at the wedding. This list is referred to as the checklist.
 - c. Budget for the wedding is estimated.
 - d. Client provides Picturesque Planning a regular time to contact or make appointments. This time is flexible on a weekly basis, and all appointments will be verified.
2. Basic plan
 - a. Picturesque Planning will take no more than 1 (one) week after the contract is signed to prepare an outline of the wedding.
 - b. No vendors will be selected at this point, this is just overall timeline planning.
 - c. This outline will be sent to the client for approval. Signature of approval does not mean this outline can not be changed but gives us a basis to work.
3. Pre-wedding appointments
 - a. Picturesque Planning may be responsible for scheduling all appointments such as dress shopping and alterations or cake testing. Client will verify all appointment times work for their schedule.
 - b. Picturesque Planning will provide up to 2 (two) reminders for all appointments.
 - c. Picturesque Planning will cancel any appointment necessary. Please note that any cancellation fee will be added on to total fee due to Picturesque Planning.
 - d. Picturesque Planning may attend all appointments at client’s discretion. If Picturesque Planning is not in attendance at appointments, the client and vendor will be contacted within 24 hours after the appointment.
4. Vendor Selection – Meeting Optional
 - a. Based on the checklist, 3 vendors will be recommended to the client.
 - b. Each vendor will have a budget listed.
 - c. Only vendors capable of providing service on the required day will be recommended.
5. Finalized Schedule – 1-hour meeting
 - a. Client will have a meeting with Picturesque Planning to talk through the entire schedule.
 - b. Any issues noted will be fixed no more than 24 hours after the wedding and will be conveyed via email.
 - c. Client will sign off on schedule.
6. Week before wedding
 - a. About 1 week before the wedding, all vendors will be contacted to verify all information (time, location, etc.)
 - b. Client will be contacted to verify they have no additional changes.
 - c. Client will sign a finalization paper stating there will be no additional changes without additional fees.
