

Full Day Wedding

Picturesque Planning will be on site as soon as requested to ensure all vendors have arrived and are in their proper places and will remain on site throughout the day. Once the bride/groom have departed the venue and clean-up is complete, Picturesque Planning will remain on call until agreed upon time (typically midnight) for any additional issues that may arise.

The following list may not be fully inclusive. If you believe you have a request that may fall into this category feel free to reach out.

People who can* be contacted day of to ensure timely arrival:

- Hair and makeup artists
- Breakfast and/or lunch reservations
- Florists
- Wedding Officiant
- Musicians and/or DJ's
- Food vendor
- Bartender
- Cake vendor
- Limo company
- Shuttle company
- Rental equipment company
- Venue(s)
- Hotel arrangements
- Photographers

*If you do not have these vendors, or don't wish for Picturesque Planning to contact them day-of, they will not be contacted. All known vendors will be contacted as soon as Picturesque Planning is aware of their involvement in the wedding day, about a week before the wedding, and day-of.

Other services provided at no additional charge:

- Food delivery - breakfast and/or lunch for bride, bridesmaids, groom, groomsmen, or immediate family of bride or groom
- Venue set up – arranging seating, setting up floral arrangements, etc. for up to two separate locations
- Venue clean up – clean up and disposal of trash, decorations can be boxed up and stored until bride/groom return from honeymoon, leftover food or cake will be cleaned up as well (can be donated, thrown away, etc.)
- Miscellaneous errands – forgotten items, or items from the store
- Getaway car prep – if you are using your own car, decorations can be added
- Surprise requests – all attempts are made at being upfront about the day of, but should the bride or groom request a surprise for the other this request will be honored. Prior permission must be given from the bride/groom for others to prepare surprises
